

After years of anti-British jokes President touted his connections to England during a visit to Northern Ireland [tranh liễn thờ cửu huyền thất tổ](#) on Wednesday as he tried to walk a tightrope through 's sectarian politics. Pro-London unionist leaders accused the of sidelining their views when he arrived to mark the 25th anniversary of a peace deal that ended years of violence between the two sides.

He described how a previous British ambassador to Washington had presented him with a book showing a British officer in his quarters with a bulldog during the 19th Century. 'And his name was Captain George Biden,' said the president, describing how his ancestor had gone on to write the Royal Navy's rules on mutinies.
