What sets our Golden Gate Bridge painting apart from a nearly infinite number of paintings, drawings, photographs or other depictions of one of America's most beloved national treasures? Your own eyes will answer that question when you first behold what we describe as a „Crystal Painting“ technique that provides a perceptible „depth“ to the artwork. Many people say they feel as though they are viewing our Golden Gate Bridge painting from „within“ this strikingly different work of art.

Our Golden Gate B_idge Painting Represents an Innovative Art Medium at its Best Crystal painting creates an extraordinarily dynamic image that immediately pleases the „mind's eye“. Using a highly specialized printing process that captures the visible „veins“ of an oil paint or watercolor canvass, the image is transferred to a surface that is a mixture of acrylics, medium density fiberboard, [tranh sơn mài phong cảnh](#) and construction grade paper to create an „aged wood“ like product that works its visual magic on any image that is imprinted on its surface.

State of the art, quality assurance checks are applied during every step of each individual process to ensure a luxury quality artwork that truly is quite unlike any other. They say „seeing is believing“, and when our exquisitely detailed, Golden Gate [Bridge painting](#) receives its final, high gloss, Liễn thờ cử huyền thất tổ waterproof coating - a „crystal clear“ lacquer that further enhances the perceptual depth of the work - your eyes will make „you“ a true believer.
